

Two webinar dates available. Register today!

Join us again this month as we circle back around to the early stages of the life cycle of our Aetna members. We will highlight HEDIS, EPSDT and NCQA approved coding that captures care for Aetna members from infancy to age 11. Please register as soon as possible to secure your spot in this very important Webinar.

**November 15th 2017 10:00 AM EST**

**November 16th 2017 3:30 PM EST**

A one hour presentation in our Quality Navigator webinar series for Aetna Better Health providers looking at HEDIS®, preventive care, and health for the whole person.

*Topics for discussion:*

- EPSDT – Early and Periodic Screening, Diagnosis and Treatment
- HEDIS® measures for ages 0-11 years and NCQA accepted coding
- Documentation of a well-child visit
- Examples of anticipatory guidance topics
- Oral health care in PCP office

Join us and invite your colleagues! Feel free to share this invite within your organization.
