

**AETNA BETTER HEALTH® OF VIRGINIA REQUEST FORM
FOR STIMULANTS/ADHD MEDICATIONS FOR
CHILDREN LESS THAN FDA INDICATED AGE AND ADULTS OVER 18
Fax back to 1-855-799-2553**

If the following information is not complete, correct, or legible, the PA process can be delayed.

Please use one form per member.

Preferred stimulants/ADHD medications for individuals 4 to 17 years of age do not require Prior Authorization.

**If your request is for a non-preferred non-stimulant, please go to question 8 and submit form.
Stimulants prescribed for children under the age of four (4) must be prescribed by pediatric psychiatrist,
pediatric neurologist, developmental/behavioral pediatrician, or in consultation with one of these
specialists.**

DIAGNOSIS AND MEDICAL INFORMATION

Stimulants/ADHD medications for adults over 18 – to receive an approval for this drug, complete the following questions. This does not apply to non-stimulant ADHD medications (such as atomoxetine, Strattera®, clonidine ER, Kapvay®, guanfacine ER, Intuniv®, Qelbree®, etc.).

Does the member meet the following criteria?

1. Indicate the diagnoses being treated (include all ICD codes if applicable):

2. Did the primary care clinician use the Diagnostic and Statistical Manual of Mental Disorders, 5th Edition and determine that criteria have been met (including documentation of impairment in more than 1 major setting) to make the diagnosis of ADHD?

Yes No

Does the member meet the following criteria for the maintenance request?

3. The practitioner has regularly evaluated the member for stimulant or other substance use disorder, and, if present, initiated specific treatment, consulted with an appropriate health care provider, or referred the member for evaluation for treatment if indicated.

Yes No

To request a non-preferred agent, please answer the questions below, providing all requested information.

4. For non-preferred stimulants/ADHD medications, list pharmaceutical agents attempted and outcome:

5. Provide other pertinent information to support the use of the requested stimulant/ADHD medication for this member.
