Prior Authorization Requirements for Aetna Better Health of WV

Dear Provider,

Effective 04/10/2021, Aetna Better Health of West Virginia will change the way the following HCPCS and/or CPT codes will be processed.

The below list of codes **will** require prior authorization.

As always, don't hesitate to contact your Aetna Better Health of WV Provider Relations Representative with any questions or comments.

Sincerely,

Provider Relations

Aetna Better Health of WV

0017M	Oncology (diffuse large B-cell lymphoma [DLBCL]), mRNA, gene expression profiling by fluorescent probe hybridization of 20 genes, formalin-fixed paraffin embedded tissue, algorithm reported as cell of origin.
